Dear Business Sponsor,

I am pleased to announce the formation of Artistic Dance Conservatory Corp, a non-profit organization. This concept was conceived as a partnership between Performing Arts educators, students and enthusiasts that will bring dance, music and art to our community. Our resident dance companies, Eclipse Dance Company and the Kinetic State Ballet Company have a proven track record of community outreach and artistic innovation. Their collaboration will provide our community with arts-in-education experiences through outreach to local schools and outstanding concerts and ballets that showcase the unique and vast talent of local artists. Though dance is the primary medium through which Artistic Dance Conservatory will impact its audiences, this organization celebrates the power of theater and music and will strive to incorporate a diverse array of Performing Artists into its endeavors. I hope you will join me in celebrating this organization.

Please see the enclosed forms with our sponsorship donation levels, silent auction information and the advertisement template.

Sincerely,

Jennifer Gamache-Dubilo
President, Artistic Dance Conservatory Corp.
